**TINA TURNER SINGS AT ROTARY!!**

Got your attention?? You missed an imitation of Tina Turner by the *Beehive Musical* crew at last week’s meeting. The singer didn’t have Tina’s legs, but she had a great voice!

The cast of the *Beehive* (crew of 6 women) came dressed to kill. Big teased hair, heavy make-up, 1960’s dresses, and songs that took us way down memory lane. The act sings songs from such famous ladies as Tina, Aretha Franklin, Diana Ross & the Supremes, Janis Joplin, Patti LaBelle, the Sherelles, and other famous singers of the 1960’s era. Some of the songs they entertained us with were *My Boyfriend’s Back*, *Will You Still Love Me Tomorrow*, *I*

Hear a *Symphony*, *Judy's Turn to Cry*, and a great rendition of the Lady of Soul—Aretha Franklin-- *RESPECT*. You go, Girl!

Hailed by the *New York Times* as “pure, irresistible fun,” *Beehive* is all about having a good time.” *Newsday* reports “The humor, the satire, the puppy love... it all works!”

Kathy Bateson reports that the show has over 40 costume changes and 30 wigs. The show is now playing and runs to July 30<sup>th</sup>. Buy your ticket now for a great two hour show at the Arts Center of Coastal Carolina!

I did have to laugh while I watched these entertaining ladies. It reminded me of my cousins who would sit for hours in front of the mirror teasing their already immaculate hair and applying heavy eyeliner, singing some of those very songs, and dreaming about their boyfriends. The boyfriends back then still opened car doors for the ladies, knew how to dance, requested the girl's hand in marriage on one knee after speaking with her father, and worked at a job that could support the entire family. Ah--- those were the days! Come see the show and remember!

Also showing in next year's schedule for the Arts Center will be *West Side Story*, *White Christmas*, *the Odd Couple*, *Fiddler on the Roof*, and *A Chorus Line*. These shows begin September 27 and run through July 29, 2007. Call 842-ARTS to subscribe!

### **JUMP START JULY**

***President-Elect Mary has set increased membership participation and enjoyment of Rotary as top goals.***

To get us off on in the right spirit, we're going to “Jump Start July” by bringing Club members together in small discussion groups around topics that really interest them. These get-togethers will be in homes, limited to ten or twelve participants, and have no formal agenda other than to brainstorm on the special interest of the participants. The conversation could lead to a project or an activity. It could lead to new and closer friendships. It just might make the participants understand Rotary a bit better. This idea stemmed from member suggestions made at a Fireside chat recently. A few topics have been mentioned, there are certainly many others as well. Please contact Mary Noonan at maryhhi@hargray.com, or Hank Noble at hnoble@hargray.com, or the office at hhrotary@hargray.com. Let us know if you would like to participate in a discussion group. Indicate a topic that holds special interest for you or one in which you are experienced and knowledgeable. Also let us know if you are willing to host the group in your home. Hosts will be compensated for refreshments. We have two groups forming already—the more the merrier. This is the year to have FUN in Rotary with Rotarians.

### **AND A GREAT TIME WAS HAD BY ALL!!**

Many thanks to *Beja Strum*, *Carole Howe*, and the entire Fellowship committee for making a great party to Celebrate President John. Here's a toast to you, President John. It was indeed a Very Good Year!
