**MOVERS AND SHAKERS NEEDED**

The Rotary office is on the move, around the corner from its present location to the Courtyard Building. The move can hopefully happen sometime between Friday and Monday, July 9 thru 12. We'll need some strong backs, dollies, and a truck(s) to transport file cabinets, computer stuff, and boxes.

Because there will be a desk available in the new space, we will have a very large business desk available, and a few odds and ends of furniture if someone is interested. We also have huge boxes full of banners from other clubs which we have no room to display and other picture memorabilia. If anyone wants to take some or all for some purpose, please come by our current office and help yourself. Please contact Doug Barry (689-3646) and let him know your availability to help.

**VOCATIONS ON PARADE**

And parade they did!! All 34 companies and members. What a great demonstration of enthusiastic member involvement and interest in what we can do to serve each other. Thanks to Sea Pines Country Club for the use of their beautiful Rotunda to set up all the exhibits. And thanks to all the participants who displayed their products, services, and talents. ### **ADVERTISING IN THE SOUNDINGS**

As we near the beginning of a new Rotary year, it's time again to seek your support as an advertiser in the Soundings. The price remains at \$300 for the year, billed to you on your July 1 invoice. That fee places your ad in the Soundings for all members to see at our 48 meetings during the year.

This year there's another major benefit to you as an advertiser. Early in our new year, we will have a totally redesigned Web site, and your ad will be placed in a very prominent spot on the website, along with a direct link to your company's website if you have one. We may also have the space to allow you to put more info in the website version of your ad. It's our intention to make our website a much more interactive and informational tool that will be used by members and the general public alike as we promote Rotary, our Club, and you - our advertisers.

Thus, there's much more benefit to you and more exposure, for the same small investment. **Please call or e-mail to Linda in the Rotary office to reserve your ad space.** Please act quickly, and thank you in advance for your support.
